LionHeart is the charity for RICS members, former members and their families.

We offer a wide range of services from health and wellbeing packages, to financial support and work-related support. A selection of our services is available to global members, candidates and applicants. Support is bespoke to each circumstance and is confidential. If you come to us, for example, due to job loss, you may be offered our Back to Work scheme, alongside some financial support and counselling.

The people we help are just like you—they have the same worries, the same everyday issues and hopes. The difference is that something unpredictable has happened and they have turned to LionHeart for help. *About 70% of our spending is directly on welfare: with 35% on grants and the other 35% on counselling and our Back to Work scheme.*

You do not have to be in a crisis before you contact LionHeart. For more information, visit our website, [www.lionheart.org.uk/support](http://www.lionheart.org.uk/support) or call 0845 603 9057.
